HIFZ PROGRAMME FOR BOYS AGED 7-15 YEARS

It was narrated that Buraydah said: "The Prophet (Sallallahu Alaihi wasallam) said: 'Whoever reads the Qur'aan, learns it and acts in accordance with it, on the Day of Resurrection his parents will be given a crown to wear whose light will be like the light of the sun, and his parents will be given garments which far surpass everything to be found in this world. They will say, "Why have we been given this to wear?" It will be said, "Because your child learned the Qur'aan."' (Narrated by al-Haakim, 1/756)

Alhamdulillah, from Monday 2nd September, we will be running 2 Hifz sessions for students who wish to memorise the Qur'an.

- Session 1 will take place between Mon to Thurs 4:30pm-6pm
- Session 2 will take place between Mon to Thurs 6pm-7:30pm

The fees for each session are £40 paid in advanced every 4 weeks via cash or bank transfer.

REGISTRATION Successful applicants are expected to be able to recite the Qur'an fluently as well as demonstrate a fundamental knowledge of Tajweed. All students will be assessed and may be required to study Tajweed thoroughly before beginning the Hifz programme.

Structured learning targets will be set from the start to aid students in improving their memory skills. A typical session will involve reciting new memorised lessons as well as 2 agreed portions of revision to the teacher.

CRITERIA FOR ENROLMENT Students who would wish to register for the Hifz Course will have to make a firm commitment for the entire period of course in order to meet their targets consistently. This will, Insha Allah, enable the achievement of completing Hifz of the Noble Qur'an with ease and efficiency.

Students may be required to provide a reference letter from their previous/current Qur'an teacher/institute, who must affirm that the student is suitable for enrolment onto the Hifz Course.

It is of extreme importance that both parents and the student have a clear understanding of the level of commitment – and significant sacrifices – that will be required in order to achieve this honour and privilege.

Below is a chart that demonstrates the amount a student may be expected to memorise throughout the Hifz period to achieve success within a specific time period. These targets may be revised in consultation with the Hifz teacher for students who may not be able to complete the entire Qur'an.
